There is a bar and restaurant adjacent. If you have small children it is worth noting that we do not have any entertainment or recreational facilities for children on the Park and ball games are not permitted, however the area roundabout offers many attractions for children of all ages. Dogs are welcome on the Park but must be on a lead **at all times** and owners are responsible not to let their dogs foul the Park. Dogs must not be left unattended in caravans at any time and please ensure your dog is not an annoyance to other park users. If you are bringing a dog you must include it on the booking form overleaf. Barbeques are permitted but must not be placed directly on the ground; they must be raised so as not to burn the grass. In some circumstances we may ask for a £50 cleaning deposit. This is at the management's discretion. The deposit is payable on arrival by cash or debit/credit card and refundable at the end of the holiday if the hired unit has been left in the condition it was hired out.
